Grand Knight's Report

Brother Knights,

I hope you had a great Father's day last month. As fathers we are not only responsible for our children's natural life but also and more importantly we are responsible for their spiritual life. We as fathers should care for our children's spiritual lives through prayer and sacrifices, by teaching the faith, by setting an example of Christian discipleship, by bringing them to the sacraments, by forming them in virtue, and by leading them to Christ. Being a father is a great responsibility. It is hard work and very time consuming but it is also the most rewarding gift a man can receive. So let us always remember to set a good example for our children and grandchildren to emulate. For some of us, our children are adults and have left home but our responsibility does not end. We must continue to pray for them, encourage them to attend Mass, and to follow Jesus. But mostly, we need to continue to set an example of a faithful Christian man.

As we start the new fraternal year, Supreme has rolled out a new program for councils to follow in obtaining the Columbian award. The new program is call "Faith in Action" which has replaced "Surge with Service". The intent of the new program is to get more faith-based activities into our councils. Currently, as a group, we do a lot of good work to support our church and our selected charities but we need to bring in programs that will help us grow as faithful Christian men. This is what "Faith in Action" is trying to accomplish.

Grand Knight's Report continued...

“Faith in Action” has four categories – Faith, Family, Community, and Life. Each category has 8 programs. In order to obtain the Columbian award, the council must do four programs in each category. Each category has a required program and several featured programs which count for two programs.

The “Faith in Action” program is meant to include the whole family. We live very busy lives which makes it difficult to find time to live out the calling of our faith and our desire to serve. The free time we do get is precious and dedicated to the family. The “Faith in Action” program is meant to include the family so men can lead their family in faith and service – not leave their family for service.

I am looking for men to volunteer to be the chair person for each for the categories. The chairperson will help plan and coordinate programs within the category that the council can implement.

Our council has been very good at providing funds to meet the needs of our community. It is time we invest in ourselves and in our families so that we may grow together in our faith.

VA Visitation - July 15th

The Vets show a great appreciation for being visited. Most of them like to share their military experience. We thank them for their service and remind them that we are praying and thinking of them. It is also good to pray with them, which provides uplifting feelings to all that aid this ministry. The next VA visit will be July 15th, 2018, and then again on September 16th, 2018. Mark your Calendars and support our Vets!

Fred Stratton
 VA Visitation Chairman
