A note received from a friend, Happy Brother's Day,

Be the kind of man that when your feet hit the floor each morning the devil says "Oh Crap, he's up!" Brother, life is too short to wake up with regrets. So love the people who treat you right and forgive the ones who don't just because you can. Believe everything happens for a reason. If you get a second chance, grab it with both hands. If it changes your life, let it. Take a few minutes to think before you act. When you're mad, forgive quickly. God never said life would be easy. He just promised it would be worth it. Today, and every day, is Brother's day so send a greeting to ALL of your brothers and sisters. I LOVE YA BROTHER! To the cool men that have touched my life. Here's to you! A real Brother walks with you when the rest of the world walks on you.

Remember your dues. Anyone who has financial issues should let Brother Pete know. He can work with you confidentially and take care of almost any issue. Please give him a call if you need help. The first degree is about charity. Remember, charity begins at home and this is your home.

Financial Secretary's Report

Brothers,

I hope you all had a Merry Christmas and will have a Happy New Year!

The Clergy Night celebration is on Friday, January 21 at the Stafford Centre located at 2610 South Main in Stafford, the same location it was held last year. This is an affair where over 1,000 Knights and their ladies will gather to recognize our priests and clergy. A social hour and cocktails will be start at 6:00 p.m. with Dinner at 7:00 p.m. The cost is \$30 per person. The Council currently has 14 clergy and Deacon wives and 54 members and wives attending.

The annual dues bills have been mailed and they include an individual worksheet for the Annual Survey of Fraternal Activity. The dues are payable prior to January 15. Regular member dues are \$36. Once you receive your dues notice, please pay it promptly. Thanks for keeping your dues current. If any member has a problem paying their dues, please contact the Grand Knight or myself. Please complete the worksheet and return it with your dues payment. Supreme is having the Culture of Life \$2 assessment for each council member. Your voluntary contribution along with your dues will be appreciated.

On Sunday February 20 there is a 2nd & 3rd Degree in Rosenberg at Council 2801. I am asking all 1st Degree members to mark this date on your calendar and do everything you possibly can to attend. We will go to the 7:00 am Mass at St. Theresa and then travel to the degree. Both degrees should be over by 2:00 pm and there will be a meal served afterwards that is free to all going thru the degrees. I estimate we will be back to our KC Hall by 3:30 pm.

God bless,
Pete Muceus, FS

MIDDLE SCHOOL DANCE / January 14

Since the Clergy Appreciation dinner falls on the third Friday in January the Middle School Dance will be held on the second Friday which is the 14th. We will need lots of help with the kids as we start the new calendar year or our successful Middle School event and fund raiser. Brother Mike Matalka is recovering remarkably fast. However, he is going to need special help again to make this event a success. Please come out and help beginning at about 6:30 PM. The dance is over at 10:30 and most kids are gone by 10:40.

At the December 7th board meeting the Directors approved the 2011 budget. The approved budget is below. The numbers are in line with our 2010 budget. The property tax line remains because we have not received notification from the IRS or an exemption from the Texas State Comptrollers Office. We will continue to work toward the exemption in 2011.

Sometimes you just go about your daily business without noticing changes in the world around you or the good works others quietly due. Awhile back Brother John McDonald repaired the curbing around the island in front of the hall. I did not notice it until the December teen dance. Thank you John for taking care of island repairs, your efforts have improved the safety and looks of the property.

For 2011 the following goals are proposed:

1. Continue efforts to obtain tax exempt status
2. Repair hall siding eliminating water infiltration into the hall
3. Paint exterior
4. Replace flooring in the hall
5. Repair annex vent hood

General Council News

A long-time very active Brother and Sir Knight from Council 2801 in Rosenberg died on Thursday December 23 after a long fight with cancer and ALS – TAC Hrcir. Tac was a Past State Warden and Former 4th Degree Master of the First District of Texas.

A Barbara Eder update - Just wanted to ask you to let everyone know that I am doing real good. Went to the Dr. and he said I can start doing more and I can drive around the neighborhood. He said we can drive back home to PA. if I don't drive when there is bad road condition or heavy traffic. I can only drive 2 hours at time then take a break. We hope to leave on December 18, 2010. I can start back to work on January 4, 2011. I would like to thank everyone for their prayers. Love and God Bless.
Merry Christmas and Happy New Year.

Brother LTC John Pistone is on active duty with the Army Reserve battalion he commands. John is stationed in Kuwait but travels to many locations including Afghanistan. There are 2 ways to communicate with John. His email address is: john@johnpistone.net. His physical address is: LTC John C. Pistone, 595 / 1188th DDSB, Camp Arifjan, APO AE 09366. John has expressed great admiration for great brownies!

As most of you know Ken Kilgore has had a rough physical medical problem due to both a liver and kidney transplant. He has been in and out of the hospital many times mostly due to problems with medicine induced issues. This has also been a financial

Drain. There is now a way to help them. [Igive.com](http://www.igive.com) is set up to help fund charities. Stores sign up and if you go through their website and a percentage of sales goes to your designated charity. In this case it's Ken's transplant fund. It IS legit and over \$350 has been raised and deposited in Ken's transplant fund with NTAF just by people shopping online and going through the site. They also have a search engine that generates .01 per search, which isn't a lot, but then it all add up. There is NO cost to join there is NO obligation to make a purchase. My sister originally set this account up some years ago and I don't know of anyone that has had a problem. Ken's fund is Kenneth Kilgore Transplant Fund

c/o National Transplant Assistance Fund! This is the Igive link:

Most of the members of our council will not know who Judge Garza was. He was an icon in the Texas State Council and a Past State Deputy. The article is outstanding and exemplifies what the KC's are all about. Thanks to Brother Jim Collins for this outstanding article.

The "Judge"

In the December 2010 issue of the distinguished publication known as the ***Texas Monthly*** there is an obscure little column written by Oscar Casares. It is entitled "Imaginary Friends" and it begins on page 72 with a photo of the "Judge" standing in the Oval Office next to Vice President L.B. Johnson and President Jack Kennedy. Oscar tells about an experience he had as a child at the age of eight. He talks about when his father first told him that he knew Brownsville's Federal District Judge, but that he didn't believe his father ... until years later when he was grown.

Casares recalls when his father put him in the car and drove across town and stopped across the street from a two-story colonial brick house, stately with double front doors and white pillars that reminded him of a library. His father, who worked for the USDA in Brownsville, went on to tell him that in 1961 the "Judge" became the first Mexican American appointed to be a U.S. Federal District Judge. At the time Casares didn't quite understand the significance of such an appointment. After all, in his world in Brownsville, he thought everyone was Mexican American. What was the big deal.

For years, he listened to his dad talk about his friend the "Judge" and through all those years he doubted that his father knew this man. After all, dad's real friends came to the house to have dinner. This man, the "Judge" was never at their house. This friend of dad had to have been imaginary. Later, President Jimmy Carter came to town to ask the "Judge" to be his Attorney General. The "Judge" turned him down because he did not want to leave his family and did not want to leave Brownsville and live in Washington D.C. But after turning down the job of Attorney General, President Carter appointed the "Judge" to the U.S. Court of Appeals for the Fifth Circuit, making him the first Mexican American to serve in that position.

Several years later, Casares personally received an autographed copy of the "Judge's" biography, and on the inside the front page, it read, "You're father and I were friends."

With the many distinctions the "Judge" had throughout his life, there is one more that was most meaningful to him and to those of us who are Catholic and members of the Knights of Columbus in Texas. The "Judge" was also our State Deputy during the years of 1953-1955. Yes, I am talking about the one and only Judge Reynaldo Garza. I'm talking about a man, who despite a very busy and distinguished career, had time for the Knights of Columbus. I'm talking about a man who with greatness had walked with presidents of our great nation, and who was also humble and had the time to walk with us.

So, the next time you ask a man to be a member of the Knights of Columbus, the next time you ask a man to share in the vision of Venerable Father J. McGivney, and that man says he is too busy and doesn't have time, ask him this. Ask him if he is busier than the "Judge".

Fraternally in Christ,
 Bobb Mahrer, Membership Director
 Brad Meyer, Recruitment Chairman
