Brother Knights,

I have enjoyed the past two years as Grand Knight. I know I made some mistakes and I hope you understand that it was done out of love for our order and the members of the order as well as our church family. This is a great council with great members and family. Please give our new Grand Knight all the support you gave me over the past two years. It has been rewarding and enriching.

I hope to see you at the officer installation and the awards banquet. It is a very moving event and I know we will all enjoy each other's company and fellowship.

**Grand Knight,
 Jeff Schumann

Prayer for the day: "God our Father, walk through my house and take away all my worries and illnesses and please watch over and heal my family in Jesus name, Amen."

The budget meeting is Monday May 30 in the Hall at 6:30 pm. This is a change from the original June 1 date.

The Council Golf Tournament was held on Friday May 6 at Quail Valley Golf Course. The weather was beautiful and the golfing great. There was plenty of fraternal friendship. The tournament resulted in \$4,200 contribution to the Council.

Brothers – if you have not yet paid your dues yet, please pay them now. If there is a financial problem, let the Grand Knight or myself know.

God bless,
Pete Muceus, FS

Columbus Club News

The Columbus Club of Sugar Land received notification from the Forth Bend Appraisal District that the Club is tax exempt and does not have to pay property taxes for the next five years. At this point we are a little unclear if we need to re-apply for 2016. This has milestone was reached with lots of hard work from Lloyd Waguespack and Bob Vacek. Both Sir Knights have considerable workloads at their paying positions, as leaders they found time to guide the Club to this achievement. Next time you see them take a minute, personally thank them for their efforts and congratulate them on reaching this milestone.

Each year the Columbus Club elects 4 directors for a three year term. As a Director you help guide the Club in all phases of hall operation. Keeping the hall in physical operation is not a small task. Our budget this year is almost \$50,000. Please consider assisting in this important task. My evening phone is 281-980-5183 email uhnider@windstream.net waiting to hear from you.

Director elections for this year will be at the 4204 meeting on June 20. Please consider running and be there to vote for your choice for the new director.

District Deputy's Report

Worthy Brothers,

As the fraternal year comes to a close and we start to wind down for the summer I want to challenge each of you to finish this year strong. We still have a few weeks left to make a difference in the council, community and our order.

The Knights of Columbus Texas State Council is in danger of missing out on the prestigious Circle of Honor for the first time in over 20 years. The honor is given to those state councils who meet their recruitment and other goals. Our State Deputy, Tony Herreth, is from our own District. We must do all we can to support him in his efforts to build a strong state council and order. In the remaining few weeks I encourage you to invite a catholic man and his family to join our fine fraternity. Ask the question and see what happens! Remember the recruitment theme for the remainder of this year is "Two more for Father Jack" in honor of our Associate State Chaplin and local brother, Father Jack Whitley. To support you in your recruitment efforts we are holding a First Degree at Council 4204 in Sugar Land on Monday June 20th. The degree that night will be in honor of Father Jack so let's go out make a difference and bring in two more for Fr. Jack!

Many councils will be holding officer elections and installations this month. I congratulate and pray for the new leaders as they begin to take office. The key to a successful council is its members and its programs and as you prepare your calendar for your new fraternal year I hope that many of the members will turn out for the planning meetings to make sure the programs they want to participate in are considered. Each of these programs will need leaders and committeemen so please consider volunteering your time to make each program successful. You do not have to do all of them, just pick out one or two and make a difference in that program. The Knights have six program areas that need chairman; Council, Family, Community, Youth, Church and Pro-Life. Get with your Grand Knight and let him know that you want to be a director or committee member.

This will be my last newsletter input as your District Deputy. It has been my honor and privilege to serve you as District Deputy and District Warden for the past four plus years. I have made many new friends and will cherish all the great times we had together. The Knights of Columbus is a Catholic Men's Fraternal Service Organization and you have taught me the meaning of the three main parts to that phrase; you have taught me to be a better catholic through prayer, you have taught me the meaning of fraternity and being a brother and you have taught me how to serve my fellow man. I thank all of you for that and for the opportunity.....

May God bless you and your families,
Gary Blanchette DD#74

Lest we forget!

WWII Documentary Short Film

Seth has been working on a full-length feature documentary about a program to honor WWII vets and has now released a trailer, and it would really help out if you watched it in full, and spread it around to other folks who would enjoy it. Working on this has been a very emotional experience, because the story is so, so powerful. I think you'll agree.

The seed

A successful business man was growing old and knew it was time to choose a successor to take over the business. Instead of choosing one of his Directors or his children, he decided to do something different. He called all the young executives in his company together. He said, "It is time for me to step down and choose the next CEO. I have decided to choose one of you. "The young executives were Shocked, but the boss continued. "I am going to give each one of you a SEED today - one very special SEED. I want you to plant the seed, water it, and come back here one year from today with what you have grown from the seed I have given you. I will then judge the plants that you bring, and the one I choose will be the next CEO." One man, named Jim, was there that day and he, like the others, received a seed. He went home and excitedly, told his wife the story. She helped him get a pot, soil and compost and he planted the seed. Everyday, he would water it and watch to see if it had grown. After about three weeks, some of the other executives began to talk about their seeds and the plants that were beginning to grow. Jim kept checking his seed, but nothing ever grew. Three weeks, four weeks, five weeks went by, still nothing. By now, others were talking about their plants, but Jim didn't have a plant and he felt like a failure. Six months went by and still nothing in Jim's pot. He just knew he had killed his seed. Everyone else had trees and tall plants, but he had nothing. Jim didn't say anything to his colleagues, however, he just kept watering and fertilizing the soil - He so wanted the seed to grow. A year finally went by and all the young executives of the company brought their plants to the CEO for inspection. Jim told his wife that he wasn't going to take an empty

pot. But she asked him to be honest about what happened. Jim felt sick to his stomach, it was going to be the most embarrassing moment of his life, but he knew his wife was right. He took his empty pot to the board room. When Jim arrived, he was amazed at the variety of plants grown by the other executives. They were beautiful -- in all shapes and sizes. Jim put his empty pot on the floor and many of his colleagues laughed, a few felt sorry for him!

When the CEO arrived, he surveyed the room and greeted his young executives. Jim just tried to hide in the back. "My, what great plants, trees and flowers you have grown," said the CEO. "Today one of you will be appointed the next CEO!" All of a sudden, the CEO spotted Jim at the back of the room with his empty pot. He ordered the Financial Director to bring him to the front. Jim was terrified. He thought, "The CEO knows I'm a failure! Maybe he will have me fired!" When Jim got to the front, the CEO asked him what had happened to his seed so Jim told him the story. The CEO asked everyone to sit down except Jim. He looked at Jim, and then announced to the young executives, "Behold your next Chief Executive Officer! His name is Jim!" Jim couldn't believe it. Jim couldn't even grow his seed. "How could he be the new CEO?" the others said. Then the CEO said, "One year ago today, I gave everyone in this room a seed. I told you to take the seed, plant it, water it, and bring it back to me today. But I gave you all boiled seeds; they were dead - it was not possible for them to grow. All of you, except Jim, have brought me trees and plants and flowers. When you found that the seed would not grow, you substituted another seed for the one I gave you. Jim was the only one with the courage and honesty to bring me a pot with my seed in it. Therefore, he is the one who will be the new Chief Executive Officer!"

- * If you plant honesty, you will reap trust
- * If you plant goodness, you will reap friends
- * If you plant humility, you will reap greatness
- * If you plant perseverance, you will reap contentment
- * If you plant consideration, you will reap perspective
- * If you plant hard work, you will reap success
- * If you plant forgiveness, you will reap reconciliation

Think about this for a minute....

If I happened to show up on your door step crying, would you care?

If I called you and asked you to pick me up because something happened, would you come?

If I had one day left to live my life, would you be part of that last day?

If I needed a shoulder to cry on, would you give me yours?

Do you know what the relationship is between your two eyes?

They blink together,
they move together,
they cry together,
they see things together,
and they sleep together,
but they never see each other;
